AMENDMENTS TO THE ABSTRACT

After the claims, please insert a page containing the Abstract Of The Disclosure, which is attached hereto as a separately typed page.

PROFILE GASKET AND COMPOSITION THEREOF**ABSTRACT OF THE DISCLOSURE**

A profile gasket has a locking part below a gasket base for mounting the gasket to a target body such as a refrigerator door. The gasket also has a sealing portion and an elastic support for elastically supporting the sealing portion to the gasket base. The gasket is made of a thermoplastic resin having a preferred composition.
